

MIKE BRIGNOLA

Mike Brignola teaches alto sax, tenor sax, baritone sax, clarinet, bass clarinet, and flute. Mike has taught private lessons for the past 25 years and been an active professional musician for an even longer time, playing in a very wide variety of bands, orchestras and smaller ensembles. The styles of music he has played include Jazz, Big Band, Concert Band, Orchestral , Broadway, Rock, and Pop.

One of Mike's current alto saxophone students is a member of the 5 person sax section of 2017's All-Broward County jazz band. There is great educational value in each student hearing and/or playing along with more advanced players on the same sax, clarinet or flute they are playing. So Mike always brings and plays his appropriate instrument with each student.
